

Health Clinics Specializing in the Treatment of LGBT Patients

CALIFORNIA:

Dimensions Clinic

Castro-Mission Health Center
3850 17th Street
San Francisco, CA 94114
415) 487.7589

Email: dimensions.clinic@gmail.com

About Us: Comprehensive health care clinic for LGBT and questioning youth aged 12 to 25, open four hours per week at the Castro-Mission Health Center. Trans-specific services include hormone assessment, prescription, and maintenance.

Asian & Pacific Islander Wellness Centre

730 Polk Street, 4th Floor
San Francisco, CA 94109
ph: 415.292.3400

www.apowellness.org

About Us: In addition to a primary care clinic offering medical and psychiatric services to all Asian and Pacific Islander people affected or infected by HIV, APIWC offers two social/support programs for Asian/Pacific Islander transgender people, transgender-specific educational materials, and research on HIV prevention in transgender communities.

Lyon-Martin Women's Health Services

1550 Bryant Street, Suite 450
San Francisco, CA 94103
Phone: (415) 355-2222

E-mail: webmaster@sfccc.org

www.sfccc.org/clinics/lmwhs.htm

About Us: Women's health center in San Francisco with strong lesbian focus, providing primary care, gynecology, HIV/AIDS care, cancer screening, support groups, community forums, addictions programs, and outreach to homeless women. Explicitly includes trans women and offers hormone assessment/prescription for those undergoing gender transition.

Tenderloin AIDS Resource Center

Tenderloin Health, Inc.
PO Box 423930
San Francisco CA 94142
415/437-2900

www.tarcsf.org

About Us: Emergency and long-term housing, medical care, counseling and peer support, and nutrition supplements to people living in the Tenderloin district of San Francisco. Many transgender people live and/or work on the streets in the Tenderloin; as part of its mandate to provide services to all members of the Tenderloin, transgender people are explicitly welcomed as service users, staff, and volunteers, and a transgender support group meets daily.

Health Clinics Specializing in the Treatment of LGBT Patients

LA Gay & Lesbian Centre (LAGLC)

1625 N. Schrader Blvd.

Los Angeles, CA 90028

Tel: 323-993-7400

www.laglc.org

About Us: Wide range of educational, social, and health programs for LGBT people. LAGLC's Lambda Medical Group offers crisis intervention, intake/assessment, and counseling for individuals, couples, and families; sexual health and prevention, testing, and treatment of STDs; and HIV/AIDS prevention, testing, and care services. Residential services offer homeless LGBT youth safe emergency and short-term housing, meals, employment training, and intensive support, and a legal clinic provides assistance at no charge.

Transgender Clinic - Tom Waddell Health Center

San Diego, CA 92104

Phone: 619-260-6380

Email: centerinfo@thecentersd.org

www.thecentersd.org

About Us: Our Behavioral Health Services facility is the location for several services, including mental health (individual, couple, family and group counseling), the Relationship Violence Treatment and Intervention Program, HIV/STD Testing and Counseling, and information, referral and crisis counseling. Counseling specifically for transgender people, including assessments for gender transition.

Tri City Health Center

39184 State Street

Fremont, Ca 94538

713-6690 Ext 6121

Fax#: 510-739-1239

Email: tiffany.woods@earthlink.net

About Us: TransVision's mission is to provide a safe, welcoming, and trustworthy program for transgender women in a supportive and non-judgmental environment. We are committed to providing services that affirm and empower transgender women, as well as providing access to quality health care that includes HIV prevention, testing, and treatment. With the tools of education and outreach, we challenge the communities of Alameda County to address the stigma and intolerance that is targeted towards transgender women.

Health Clinics Specializing in the Treatment of LGBT Patients

The Ark of Refuge Inc.

1025 Howard Street
San Francisco, CA 94103
(415) 861-1060 – Office
www.arkofrefuge.org
Email: arkininfo@pacbell.net
About Us: The Transcending Program began providing services to transgender individuals in 1997. Transcending provides Practical support, Peer and Treatment Advocacy services for Transgender people of color in San Francisco who are impacted by HIV/AIDS or at risk for HIV infection. The site is welcoming and provides a nonjudgmental environment. All services are confidential, culturally sensitive, and operate with clear linkages and collaboration with medical and social service providers

CONNECTICUT:

Hartford Gay & Lesbian Health Collective.

1841 Broad Street
Hartford, CT 06114
860-278-4163
Email: Info@hglhc.org
About Us: The Hartford Gay and Lesbian Health collective currently provides medical services, support groups, mental health services and health education tailored to the LGBT communities but serves clients of all genders and gender identities, sexual orientations, ages and ethnicity.

Gender Identity Clinic of New England (GICNE)

2446 Albany Avenue
West Hartford, CT 06117
Phone: (860) 523-8072
www.gicne.org
About Us: Private, fee-for service counseling for people with gender concerns, and assessments of transsexuals to determine readiness for hormones and surgery.

ILLINOIS:

Howard Brown Health Center

4025 N. Sheridan Road
Chicago, IL 60613
773-388-1600
Email: youth@howardbrown.org
About Us: TYRA (Transgender Youth Resource & Advocacy)
Wednesdays, 6-8:00 pm: A group for transgender and gender-questioning youth to hang out, gain support from peers, and to get information about issues related to health and legal rights.

Chase Brexton Health Services,

1001 Cathedral Street
Baltimore, MD 21201
410-837-2050
Email: information@chasebrexton.org
About Us: Chase Brexton Health Services, Inc. is a growth oriented provider of patient-centered interdisciplinary health care for our diverse communities including those individuals who are LGBT; HIV infected and affected; and all others who face barriers accessing quality health care.

Health Clinics Specializing in the Treatment of LGBT Patients

MASSACHUSETTS:

Fenway Community Health

7 Haviland Street
Boston, MA 02115
617-267-0900

Email: Information@fenwayhealth.org
www.fenwayhealth.org

About Us: Large LGBT health center affiliated with Beth Israel Deaconess Medical Center and Harvard Medical School. Offers wide range of health research programs and health care, including primary care, HIV/AIDS services, OB/GYN care, podiatry, nutritional counseling, mental health and addiction services, complementary therapies (chiropractic, massage, acupuncture), violence prevention and services for survivors, health promotion, and parenting/family services.

Sydney Borum Health Center,
545 Boylston Street, Suite 700,
Boston, MA 02116
617.450.0500

Email: jricorporate@jri.org

About Us: Our primary focus is on persons who fall outside of more traditional healthcare settings for a variety of reasons, homelessness; involvement in street life and the sex industry; placement in a residential facility or group home because of serious social and behavioral dysfunction, multiple placements with DSS so that medical care and healthful life style have been disrupted; and being gay, lesbian, bisexual, or transgender and, therefore, at risk of not receiving culturally and clinically appropriate services.

Boston Children's Hospital

300 Longwood Avenue,
Boston, MA 02115
(617) 355-6000;

www.childrenshospital.org

About Us: In addition to treating DSDs, we care for transgendered children and young adults - patients with no known anatomic or biochemical disorder who feel like a member of the opposite sex. Such feelings can emerge early, even in the preschool years, and cause significant psychological distress. With a high number of adolescent transgendered patients attempting suicide, we work with them to alleviate their negative feelings and treat medical and psychological issues they may experience.

NEW YORK:

Callen-Lorde Community Health Center (CLCHC)

356 West 18th Street
New York, NY 10011
212-271-7200

www.callen-lorde.org

About Us: Medical centre that specifically serves the LGBT community. Offers a wide range of health services to trans people, including general primary health care, prescription and monitoring of hormones, counseling, education, assistance with legal forms (e.g., name change), and referrals to gender-transition surgeons. They also offer gynecological care and mammography services that are described as "trans-affirmative".

Health Clinics Specializing in the Treatment of LGBT Patients

Gender Identity Project - Lesbian, Gay, Bisexual & Transgender Community Center

208 W. 13th Street
New York, NY 10011
212-620-7310

Email: gip@gaycenter.org

<http://www.gaycenter.org/health/gip>

About Us: offers services to transgender, gender non-conforming and gender questioning individuals, their partners and families. The GIP works to foster the healthy development of transgender and gender non-conforming people, partners, family and community.

OHIO:

Gender Dysphoria Program of Central Ohio (GDPCO)

P.O. Box 82008
Columbus, OH 43202
614-451-0111

Email: crane@genderprogram.com

www.genderprogram.com/contact.html

About Us: Private fee-for-service program for people who wish to undergo gender transition (with or without hormones and/or surgery). Individual counseling, group support, and assessment/referrals for hormones and surgery are offered.

PENNSYLVANIA:

Mazzoni Center

1201 Chestnut St.
Philadelphia, PA 19107
215-563-0652

Email: info@mazzonicenter.org

About Us: A non-profit organization led by LGBT people who are passionate about providing quality health services to people like us. Serves transgender youth.

WASHINGTON, D.C.:

Transgender Health Empowerment, Inc.

1711 N. Capitol St, NE
Washington, DC 20002
Phone: 202-636-1646

Email: info@theincdc.org

About Us: In fulfilling our mission to enhance the health and improve the quality of life in the populations we serve, health promotion and disease prevention programs offered by T.H.E. are based on the results of ongoing community needs assessments. In providing these programs, clients are our most important partners and ensuring confidentiality is our highest priority.

Us Helping Us, Inc.

3636 Georgia Avenue, N.W.
Washington, D.C. 20010
202 446-1100

www.ushelpingus.com

About Us: HIV/AIDS prevention and support services for Black gay and bisexual men, and Black transgender people of all sexual orientations. In addition to general services for gay and bisexual men and transgender people who are HIV+ (e.g., health education, discussion groups, case management, psychotherapy, and massage), UHU offers a bi-weekly peer support group for Black transgender people and a drop-in centre for Black and Latino transgender people. UHU will be assisting the Whitman-Walker Clinic with their new transgender health program.

Health Clinics Specializing in the Treatment of LGBT Patients

Whitman-Walker Clinic

Trans Affirmative Care

1701 14th St., N.W.,

Washington, D.C. 20009

(202) 939-7690

Email: lsp@wwc.org

www.wwc.org

About Us: Range of health programs for LGBT people, including mental health and addiction treatment services and HIV/AIDS prevention, outreach, and education. WWC facilitates a support/therapy group for partners of transgender people and is planning to expand programs at two of its health care sites to include trans hormone assessment and maintenance.

WISCONSIN:

Brady East STD Clinic,

1240 East Brady Street

Milwaukee, WI 53202-1603

414-272-2144

Email: bestd@execpc.com

About Us: The mission of BESTD Clinic is to provide quality, professional sexually transmitted disease diagnosis and treatment as well as HIV/AIDS prevention counseling and testing in a manner that is sensitive to the sexual orientation and gender identity of our clients. BESTD Clinic provides its services at no cost.
